

## Checklist returning rental car

---

If you rent a car abroad, it is best to pay attention to a few details when returning the car. Use this checklist to prevent unnecessary additional charges.

- |                          |  |                          |   |
|--------------------------|--|--------------------------|---|
| <input type="checkbox"/> | Make sure you are on time!                         | <input type="checkbox"/> | Take a picture of the fuel gauge              |
| <input type="checkbox"/> | Check the car together with the car rental company | <input type="checkbox"/> | Take a picture of the vehicle mileage display |
